

Lyric's Bar Happy Hour Ticket Draw

Terms and Conditions

Welcome to our midweek Happy Hour fun. From Wednesday to Friday, we run a simple and cheerful ticket draw where you can win a bar tab just for enjoying a drink with us.

How it works

During Happy Hour from 4 pm to 6 pm every eligible drink earns you tickets as follows

Middy gives one ticket

Pint gives two tickets

Glass of wine gives two tickets

Bottle of wine gives eight tickets

Cocktails give two tickets

Soft drinks give one ticket

At exactly 6 pm we draw one winning ticket at the bar.

The winning ticket prize amount will be clearly displayed on the board behind the bar each day followed by the winning ticket number at 6pm. It's up to the patron to see it.

How to claim your prize

If your ticket number is posted you must present your ticket at the bar before 6.30 pm. The cut off is 6.30 pm on the dot. If the winning ticket is not presented by then the prize money is rolled into the Friday draw.

Prize pool

Each day has a standard prize of a fifty-dollar bar tab.

If the prize is not claimed on Wednesday or Thursday it rolls into Friday, so the Friday prize can grow to one hundred dollars or one hundred and fifty dollars.

If the Friday prize is not claimed it rolls forward to the next Friday and keeps growing in the same way.

Using the prize

The winning bar tab can be used on the day or saved for another visit and can be used on drinks or food. It cannot be exchanged for cash.

A few friendly notes

Please keep your ticket safe as lost tickets will not be replaced.

All decisions by staff on timing and ticket numbers are final and the draw can be withdrawn by management at any time.

This giveaway is meant to be fun, light and simple.

Enjoy the moment and cheer for your friends.

Thank you for supporting Lyric's Bar and for keeping our afternoons lively. Cheers!

***** remember to always drink responsibly *****

RSA conditions will naturally apply to all patrons
